

It's been a year.

Everything has been shaken up. Work life. Home life. School life. Social life (What social life?).

Licensed Trades have been blessed to enjoy a busy summer amid this rough year. To celebrate, SCALT wants to shake things up, too — in a good way.

Typically, the fall months allow us to gather for a large golf tournament. While we can't come together in such numbers just yet, we are yearning for a little camaraderie, and we think you are, too.

Presenting the 2020 SCALT Golf (Un)Tournament. *Stick with us, here.*

Let's celebrate fall and play some golf with colleagues. SCALT has arranged for rounds of golf at three locations in South Carolina. And because we want to bring a little normalcy back to 2020, we are tracking scores for each course, to award Course Winners and an overall (Un)Tournament Champion.

Pull your foursome together, register for your preferred location, and come play! No team? No problem! Sign up as an individual, and we will put you with a team at your course of choice.

Even though we can't all be in the same place during this unconventional year, each participant in our Golf (Un)Tournament will receive a swag bag full of goodies from our valued sponsors.

It's been a year. Let's shake it up with the uncommonly, undeniably fun SCALT Golf (Un)Tournament.
