

South Carolina Association of Licensed Trades

## New Benefits Added To Our LIG Association Health Program

We have exciting news to share with you!

As you may have heard South Carolina Association of Licensed Trades has partnered with LIG Solutions to bring our members comprehensive and affordable health coverage solutions that are designed for individuals, families, and business owners along with their employees across the United States. They have just released a brand-new element to this program that we are excited to introduce to you!

As a part of the **LIG Association Health Program**, our members can now take advantage of the brand-new **LIG Solutions Rx**, which is a national pharmacy program that is **revolutionizing the way you get your Prescription Drugs and their pricing**.

This is a cost-effective monthly membership program (NOT a discount/savings card or insurance) that has real pharmacists, based out of Akron, Ohio assisting you, the member. They are focused on helping our members achieve the highest quality of life through medication, counseling, education, and adherence to the latest pharmacology standards.

The **LIG Solutions Rx** Benefits include:

- Set pricing on all medications:
  - Acute medications (immediate need)
  - Chronic medications (maintenance)
  - Over-the-counter medications (ex: Allegra, Advil, Tylenol)
- Pick up at any pharmacy at a set price for acute medications
- Home delivery service for chronic and over-the-counter medications
- Exclusive **SaveOnDiabetes** program, which includes:
  - No cost meters and a starter kit with test strips/lancets
  - Low-cost test strips and lancets
  - FREE oral diabetes medications
  - Insulin for \$19.88 per vial
- Most acute medications are \$5/21 day, and chronic medications are \$15/90 day supply.
- All medications are American sourced and shipped securely with tracking
- Licensed Pharmacist coaching to ensure you're getting the most cost-effective options
